CONDITIONS OF MEMBERSHIP.

1. An allied member may at any time be admitted by a two-thirds vote of the Board of Governors of this Union, upon such conditions, consistent with the provisions of this Constitution, as may be agreed upon between such proposed allied member and the Board of Governors.

2. An active member may at any time be admitted upon the following conditions: (a) That application in writing, in the form prescribed by the By-Laws of this Union, be made to the Secretary-Treasurer of the Union. (b) That such membership shall be subject to suspension or forfeiture in the event of failure to comply with any requirements of this Constitution, or of any By-Law hereunder, or any decree or ruling of the Board of Governors; and it is expressly stipulated that any decree of suspension or forfeiture, when affirmed by two thirds of the Board of Governors voting, shall be final and binding. (c) That it shall not make any amendment of its Constitution or By-Laws without first submitting the proposed amendment to the Board of Governors of this Union, and that any such amendment made without the vote of a majority of the Board of Governors shall be void. (d) That in the event of its club membership being reduced to less than four organizations, its membership in this Union shall cease, and this Union shall be entitled to allot its surviving clubs and territory to any other active member. (e) That in the event of any clubs making

formal application to be admitted, as a separate association, to active membership in this Union, this Union shall be empowered, in its discretion, by a two-thirds vote of its Board of Governors voting, to admit the same as an active member, and to allot its territory.

(f) That all games or athletic meetings given by such member, and the qualifications of all persons competing at such meetings, either as members of its clubs or as unattached athletes, shall be in conformity with the "Conditions of Competition" prescribed by this Constitution, and the By-Laws and Rules adopted and prescribed by the Board of Governors. (g) That such membership shall take effect upon the election of the applicant by a two-thirds vote of the Board of Governors voting. (h) The prescribed form of Constitution and By-Laws of each of the Associations, specified in Section 3 of Article III. of this Constitution, upon their assuming active membership in this Union, is appended to this Constitution.

ARTICLE V.

OBLIGATIONS, SUSPENSION AND EXPULSION OF MEMBERS.

1. The acceptance of allied membership in this Union by any allied Association shall operate as an agreement binding upon this Union and such allied member that both will abide by the terms of the alliance until either party, upon such notice as agreed upon in the terms of alliance, shall voluntarily withdraw therefrom.

2. The acceptance of active membership in this Union shall bind such member to abide by all the conditions thereof as set forth in Section 2 of Article IV. of this Constitution, and also all other provisions of this Constitution and of the By-Laws and Rules of this Union; and to accept and enforce all decisions of the Board of Governors.

3. Any violation of the Constitution, By-Laws or Rules of this Union, or decisions of the Board of Governors, by any active member of this Union, shall render such member liable to suspension by the Board of Governors until the next annual or special meeting of this Union, and to expulsion by a two-thirds vote of all the active members voting at such meeting. In case of persistent defiance of directions of the Union, such active member may be expelled, and the territory thereof reorganized or divided between the other members of the Union, consistently with the Constitution.

ARTICLE VI.

REPRESENTATION OF MEMBERS

1. Every allied member shall be entitled (unless otherwise provided in the terms of alliance) to be represented at every meeting of this Union by not more than four delegates or alternates of such delegates, having, collectively, one vote.

2. Every active member must elect annually six delegates to represent it at meetings of the Union, and such delegates must be members in good standing of clubs belonging to such member, and may also elect six alternates of such delegates, who must be members of any of its own or of any other active member's clubs, except that no member of the Board of Governors shall be elected an alternate, and in no case shall any delegate or alternate represent more than one active or allied member. All the representatives of one active member shall collectively have one vote.

3. The election of every delegate and alternate shall be duly certified by the principal executive officer of the active or allied member.

4. All members of the Board of Governors shall be elected from the duly certified delegates. No alternate shall be elected a member of the Board.

5. Election of members of the Board of Governors shall occur at the annual meeting and by majority vote of representatives present and entitled to vote. The Board of Governors, upon the occurrence of a vacancy therein from any cause, may elect, by a majority vote of members voting, a new member of said Board, but only from the member's delegation in which the said vacancy shall have occurred. Such member so elected shall, if he continues eligible, serve until the next annual meeting thereafter.

6. Any allied or active member may at any time, on notice addressed to the Secretary-Treasurer of this Union by the chief executive officer of such member, withdraw any or all of its delegates, provided a like number of delegates be at the same time substituted for those withdrawn; and if any delegate so withdrawn be at the time a member of the Board of Governors, the Board shall fill the vacancy as provided in Section 5 of this Article.

ARTICLE VII.

2. No one shall be eligible to compete in any athletic meeting, games or entertainment given or sanctioned by this Union, unless he shall be a duly registered athlete, a member of the organization from which he enters, and shall not have competed from any other club in this Union during a period of three months next preceding such entry; nor shall any member of any club in this Union, or any club in any district in this Union be allowed to compete in case he has within one year competed as a member of any other club then in this Union, except with the consent of such other club, which consent shall be filed with the Registration Committee of his district prior to such competition unless such other club shall have disbanded or practically ceased to exist; provided that the requirements of this section shall not apply to any athletic meeting, games or entertainment, the entries for which are confined to the club or organization giving such meeting or entertainment.

No athlete who has been released from a club which is a member of this Union, and who competes for another club directly thereafter, shall be allowed to compete again for the club he was released from for one year from the date of his release, except that the club has disbanded or ceased to exist.

3. No prizes shall be given by any individual, club, committee or association, or competed for or accepted by any athlete, except suitably inscribed wreaths, diplomas, banners, badges, medals, timepieces and mantel ornaments, or articles of jewelry, silverware, table or toilet service, unless authorized by the Registration Committee, and said prizes shall not exceed the cost of \$35 for first, \$20 for second, and \$10 for third prize, unless by special permission challenge trophies or other similar prizes are authorized by the Registration Committee and a record kept of such authorization. Suitable team and individual prizes may be awarded for team competitions in a single specialty.

No more than three prizes in all shall be given in any event or competition, except in running or walking races of five miles or over, and in swimming races of one mile or over (counting a team prize, allowed as above, as one prize), unless by special authority of the Registration Committee.

4. 6. The term "any athletic exercise," as used in the first section of this Article, shall be held to include such sports or exercises, athletic in form or substance, as the Board of Governors may determine.

ARTICLE XI.

REGISTRATION OF ATHLETES.

1. In no meeting, game or entertainment that has been sanctioned as an open athletic meeting shall an athlete's entry be accepted unless he shall have received a numbered certificate of registration, stating that he is an amateur and eligible to compete in amateur sports. The provisions of this paragraph do not apply to events that are "closed," that is, open only to members of the club giving the said games.

2. All clubs giving open games or competitions under Amateur Athletic Union rules and sanction must state on their announcements and entry blanks that no entries to open events can be accepted except from registered athletes.

3. Each athlete applying for registration and receiving same shall be assigned a number, which number shall be plainly written on his registration certificate. Managers of all open athletic meetings must leave a space on their entry blanks for recording the name and number of each registered athlete who enters.

4. An allied member may provide its own system of registration, not in conflict with the Constitution, By-Laws and Rules of the Amateur Athletic Union, as to amateur status, and available only to those actively affiliated with such allied member, and may impose such fee for registration as it may see fit.

5. Every active member of this Union shall elect a Registration Committee, to which shall be referred all matters within its territory pertaining to competition of amateur athletes on track or field and to the registration of athletes.

6. Such Committees shall receive, examine and decide upon all applications for registration and shall have the power to grant or withhold sanction for athletic meetings and to impose penalties upon promoters of athletic meetings and upon athletes who compete or exhibit at the same without sanction of the Committee, and shall have the right of censorship on the character of prizes offered at athletic meetings and may withhold or withdraw the sanction, providing its decision in excluding any prize is not complied with.

7. Such Committee shall have the right in considering and determining questions that affect the amateur status of any athlete to act upon any kind of evidence, circumstantial or direct, and shall have the power to permanently suspend any amateur athlete who neglects or refuses within thirty days to answer questions touching his amateur status to the satisfaction of the Committee.

8. Such Committees can require an itemized statement of expenses, with receipts and vouchers, from any registered athlete or from any organization holding an athletic meeting under A.A.U. rules.

9. It shall be the duty of the Registration Committee to make or have made, inquiry regarding any athlete whose amateur status is questioned, and all charges shall be entered with the Chairman of the Committee, who shall provide for an investigation by a member or members of the Committee. Pending investigation, the athlete against whom charges are brought may be suspended. Suspicious circumstances, which are, in the judgment of any member of the Committee, sufficient to make the status of any athlete a matter of reasonable doubt, shall be the basis of investigation in the absence of formal charges. The member or members to whom the investigation is assigned shall immediately communicate with the party under suspicion, either in person or by registered letter, lay all charges before him or set forth the circumstances which lead to a reasonable doubt and call for an answer to the charges or a satisfactory explanation of the circumstances which gave rise to the doubt. If the athlete cannot satisfactorily prove his innocence, the Committee may inflict such punishment as is in their judgment fitting.

10. Any person who shall refuse to testify before any Registration Committee, or to answer any question which such Committee shall rule to be proper, shall be liable to suspension or such discipline as the Committee may determine until he has purged himself of such failure or refusal.

11. It shall be within the province of the Registration Committee to suspend from competition for such a time as it may deem proper any person guilty of unfair dealing in connection with athletic competition or for violation of the rules of the Amateur Athletic Union.

12. The following, among other things, shall be considered as unfair dealing and ungentlemanly conduct.

Suppression of true figures from the handicapper; the use of obscene or profane language on the track or field, or any other act which tends to disturb or obstruct a competition.

13. The decision of the Committee shall be final in all cases, subject only to appeal to the Board of Managers of the Association and then to the Board of Governors of the A.A.U.

14. All applications for registration must be accompanied by a fee of 25 cents and endorsed by the Secretary or other proper official of the club of which said applicant is a member and approved by a member of the Registration Committee within whose jurisdiction said club is located. Should the applicant for registration not be a member of an athletic club, he must procure the endorsement of three reputable citizens of the locality in which he resides and the approval of a member of the Registration Committee within whose jurisdiction he resides.

15. Every athlete, when he registers, shall state his residence and what club he wishes to represent, and he shall neither be allowed to change the club nor compete unattached during the term of his registration in the A.A.U. or an allied body without the consent of the Registration Committee of the district in which he resides. And when any registered athlete changes his residence from one district to another, he shall notify the Registration Committee of the district wherein he is registered, and such Registration Committee shall issue a transfer to the district in which such athlete intends to reside.

16. All registrations shall be in force for one year from date of registration. An athlete who has been registered shall retain his number and shall not be required to fill out a new application, provided he applies for renewal prior to the expiration of his registration.

17. Every athlete, when competing in handicap events outside of the territory of the Association from which he is registered, shall forward with his entry a certificate from the handicapper of his own Association showing his last three performances. It shall be the duty of such handicapper to furnish such certificate on request of a registered athlete.

18. It shall be the duty of each Registration Committee and of each allied member to furnish to the Secretary-Treasurer of the A.A.U. every week a list of all registered numbers, names and addresses, and duplicate lists shall be forwarded to the official handicappers.

19. There shall be paid to the Secretary-Treasurer of the A.A.U. by each active and allied member the sum of ten cents for each certificate of registration that shall be issued by it.

20. The Registration Committee shall collect from applicants (in advance), except A.A.U. members, \$10 each for granting sanctions for open athletic fixtures, etc., and \$2 each for granting sanctions for basket ball games, said sanctions to cover all games played within one year. One-half of the sanction fees shall be turned over by the Registration Committee to the Secretary-Treasurer of the A. A. U. and one-half to the Secretary-Treasurer of the Association in whose territory the sanctioned events are held.

ARTICLE XII.

DUES AND EXPENSES.

1. Allied members shall be exempt from the payment of dues.

2. Each active member shall annually pay to the Secretary-Treasurer, on or before the annual meeting, as annual dues for the ensuing year, a sum equal to \$2.50 for each club member of such active member; provided, that every applicant for active membership shall remit with its application to the Secretary-Treasurer the amount of its annual dues, and shall not again be liable for the payment of dues until the year following the next ensuing annual meeting.

3. A failure to pay such dues within the time prescribed shall operate to forfeit the right to a representation of and a vote by the delinquent member at any meeting of the Union, and a continued indebtedness for dues or other charges for a period of two months shall operate as a loss of membership by the delinquent member.

4. The receipts from dues and from all other sources shall be devoted to defraying the expenses of national championship meetings and other necessary expenses of the Union.

ARTICLE XIII.

(a) The President may of his own motion, and upon the written request of not less than three members of the Union, or direction of the Board of Governors of the Union, must submit to a vote by mail any specific question or matter which might be passed upon at a special meeting of the Union. Such request shall be delivered to the Secretary-Treasurer of the Union and by him delivered to the President.

(b) In such a case the Secretary-Treasurer shall mail the question to the Secretary of each active and allied member of the Union, with a request in form as set forth in clause "b" of this article above. The Secretary of each member shall at once submit the question to its duly appointed and registered delegates to the Union (or alternates in proper cases), who shall indicate in writing thereupon, and said Secretary shall at once forward the same to the Secretary-Treasurer of the Union, who shall preserve and file all votes. Each active and allied member's vote shall count one, except that if, in any case, the voting delegates or alternates of any such member shall not

agree, the proper fractional part of one vote shall be credited as cast upon the question or matter at issue.

(c) Within five days after the closing of said vote with the Secretary-Treasurer, said Secretary-Treasurer shall mail to each active and allied member of the Union a copy of the question and the result of the vote thereon, to wit : the number voting for and in opposition thereto, with a statement of whether said question has been carried or defeated.

VI.

CHAMPIONSHIP MEETINGS.

1. A field and track championship meeting shall be held annually at such time and place and including such events as may be determined by the Championship Committee.

2. The Annual Track and Field Championships of the Amateur Athletic Union shall consist of a senior class and junior class. The senior class shall be open to all registered amateur athletes and the junior class shall be open to all registered athletes who have not won a first prize at any A. A. U. Track and Field Championship Meeting, a Canadian Championship Meeting, a Cross-Country Championship, Intercollegiate Championship or the Championship of any foreign country. The winner of any event in the junior championship shall be ineligible for further competition in the junior class. Nothing shall prevent an athlete entering in both senior and junior championships and competing in both classes the same day, providing he has not previously won a senior championship.

3. All entries shall be sent to the Chairman of said Committee, which Committee may reject any entries it may deem objectionable.

4. Said Committee shall choose the officers at all championship

meetings deliver all prizes and decide, for that event only, all objections to eligibility and qualification of entries, but must report the same to the Board of Governors at its next meeting.

VIII.

TRIALS.

I. Original jurisdiction.

(a) In such cases as do not come under the jurisdiction of the Local Registration Committee and Board of Managers of any Association of the A. A. U., and where the Board of Governors has original jurisdiction, the complainant shall submit to the Board his charges in writing and in detail, signed by himself. In case said charges are not deemed worthy of investigation the Board shall dismiss the case unless it shall see fit to request further information from the complainant.

(b) In case the Board shall deem such charges, either as originally submitted, or as amended, worthy of investigation, it shall forthwith send a copy thereof to the person charged, who shall, within fifteen days after the receipt thereof, file with the Secretary-Treasurer of the Union his answer in detail thereto, himself.

(c) The Board may, upon such charges and answers, dismiss such case; but if not, shall refer the same to the Committee on Reinstatement, which Committee shall, upon not less than ten days' notice to both parties, appoint a time and place when evidence will be taken upon such charges, and shall have discretion to adjourn such hearing from time to time, as may seem just and proper.

(d) Within ten days after the closing of the evidence, such committee shall make and file its report with the Secretary of the Union, which report shall be submitted to the Board of Governors at its next meeting, at which due notice of the intended submission of such report can be given, unless a mail vote shall be taken upon the acceptance of the report, as hereinbefore provided, in which case a copy of the report and the evidence shall be mailed to each member of the Board of Governors, except the Trial Committee. In case no decision has been reached by the Board within ninety days after the charge was first filed by the complainant, the person accused shall be deemed to have been acquitted, and said charge shall stand as dismissed, as though formal action had been taken to that effect by a vote of the Board.

(e) Should the person charged fail to appear and defend, he shall be considered as having admitted the truth of the charges, and in case of such default, or his conviction, he shall suffer the penalty fixed by the Board of Governors under the Constitution of this organization.

(f) Should the accused be found innocent, he shall at once be so declared and the fact made public by the Board of Governors in such manner as it may determine. And in that case the expenses of such trial, or so much thereof as shall be determined by the Board of Governors, shall be paid by the complainant.

2. Appellate jurisdiction.

(a) In cases of appellate jurisdiction, all papers and documents, and the facts in writing upon which the decision appealed from was made, together with a copy of such decision, shall, on the request of the appellant and at his expense, be prepared and certified by the original trial tribunal and submitted to the Board of Governors.

(b) The Board shall thereupon, upon not less than ten days' notice to the appellant and respondent, hear argument itself, or by its committee, upon the question or matter involved, and may call for other or further evidence or witnesses, but such evidence or witnesses must be produced within a period to be fixed by the Board or its committee, which shall not be more than thirty days from the date of such first hearing.

(c) The final decision of the committee (if the trial be before a committee) shall be filed with the Secretary of the Union within fifteen days after the final hearing, and, in any case, the decision of the Board of Governors shall be rendered within thirty days after such final hearing, the vote being taken by mail, or at a special meeting, as shall be proper.

(d) In case either the appellant or respondent fails to appear at the first hearing, the appeal shall go against him by default, unless both should fail to appear, in which case the appeal shall stand dismissed. The Board of Governors may adjudge that the expenses of the appeal, or so much thereof as shall seem to them proper, shall be paid by the unsuccessful party. The de-

cision upon such appeal shall be at once transmitted by the Secretary to every member of the Union, and shall be otherwise made public in such manner as the Board of Governors shall determine.

SEC. 3. Refusal to testify.

Any person who shall refuse to testify before the Board or its committee, or to answer any question which the Board or its committee shall rule to be proper, or to declare in writing his belief as to the amateur standing of any individual upon trial by the Union in the exercise of either its original or appellate jurisdiction, or any party who upon appeal shall fail to pay the expenses adjudged against him, shall be liable to suspension from competition until he has purged himself of such failure or refusal.

IX.

AMENDMENTS.

These By-Laws may be amended at any meeting of the Board, or by mail or telegraph vote, by a majority of the members voting, provided that at least twenty days' notice shall have been given to every member of the Board of the proposed amendment.

He must submit to said Committee, through the Secretary of the Amateur Athletic Union, a certificate from the governing body of the country wherein he resides that he is an amateur, eligible to compete in any amateur competition.

RULE II.

Any amateur athlete, a resident of the United States, desiring to compete in amateur competitions in any other country, must, before such competition, secure from the National Registration Committee of the Amateur Athletic Union of the United States a permit on petition of the club of which he is a member and of the District Association wherein such club is located, that will authorize him to compete as an amateur in any other country.

RULE III.

Any club, a member of any Association of the Amateur Athletic Union of the United States, which sanctions the competition of any member, or any team, under its club name or its club emblem, in unregistered sport or professional contest, or which persists in playing disqualified athletes, or which permits professionals to compete under its auspices in any competition in a sport over which the Amateur Athletic Union assumes jurisdic-

tion, where such competition is announced as a competition between amateurs, shall be liable to forfeit its membership in such Association.

RULE IV.

SUSPENSION OR DISQUALIFICATION OF INDIVIDUALS.

Any person competing or exhibiting at open sports, or any athletic entertainment that is not given under the sanction of the Amateur Athletic Union or of one of its allied members, shall thereby disqualify himself from competing at any sports given under sanction of the Amateur Athletic Union.

The Registration Committee of the Association in whose territory the offence was committed shall have the power to reinstate anyone so disqualified, if it shall think fit.

Athletic meetings promoted by companies, incorporated bodies, individuals or associations of individuals, as private speculations or in conjunction with a benefit, social or picnic entertainment, are not, unless with the sanction of the Registration Committee of the Association in whose territory such meetings are to take place, recognized by the Amateur Athletic Union, and any athlete competing at an unrecognized meeting shall thereby suspend himself from all games held under Amateur Athletic Union Rules.

No person shall be allowed to compete at any meeting held under Amateur Athletic Union Rules while disqualified or under a sentence of suspension of this Union or any of its active or allied members.

Any person knowingly competing against one who is disqualified or under sentence of suspension by this Union, or any of its active or allied members, shall be held to have suspended himself until the expiration of such sentence, or for such period as the Registration Committee of the Association in whose territory the offence was committed may deem proper.

No person who, at any time since the organization of the A. A. U., has knowingly become a professional, shall be reinstated as an amateur.

No application for reinstatement to full amateur status shall be entertained unless the applicant shall have abstained from all professional conduct for two years, and can be acted upon only at a meeting of the Amateur Athletic Union or of the Board of Governors. A two-thirds vote shall be necessary for reinstatement.

Any person receiving compensation for services performed in any capacity in connection with athletic games, or in an athletic club, will be ineligible to represent such club in games under the rules of the Amateur Athletic Union until he shall have permanently abandoned such employment.

Any member of any club of either of the Associations of the Amateur Athletic Union who shall have been expelled from said club for unpaid indebtedness shall not be eligible to compete in any games given by any Association of the Amateur Athletic Union, or by any club of any Association of the Amateur Athletic Union, until such indebtedness is liquidated.

RULE V.

OFFICIAL HANDICAPPERS.

It shall be the duty of the official handicappers to keep books containing the names and performances of all registered athletes in their districts and to handicap all handicap games or events. These books shall be the property of the respective Associations of the Amateur Athletic Union. The official handicappers shall check the entries of all novices without charge, being sure that they are registered.

They shall receive and handicap all entries furnished them by the proper parties up to the time they return their lists, but no entry shall be handicapped on the day of the games.

The committee in charge of all open handicap games or events, given under the rules of the Amateur Athletic Union, must employ the official handicapper, and pay him the following rates:

Ten cents for each separate entry, but no meeting shall be handicapped for less than \$5.

The total number of entries in all handicap events added together shall determine the number of entries, each name in each event counting separately.

All fees for handicapping must be paid to the handicapper before he delivers the handicaps.

When for any reason the official handicapper shall fail to handicap any set of games, the entries shall be sent to the local member of the Registration Committee, who shall see that they are properly handicapped and returned.

RULE IX.

DEFINITION OF A NOVICE.

An athlete shall be held to be a novice in each of the classes specified in Article IX. of the Constitution until he shall have won a prize in a competition in that class, open to the members of two or more clubs.

The winning of such a prize shall prevent his future competition as a novice in that class, although his entry may have been made before he lost his standing as a novice.

RULE X.

All entries for competition held under Amateur Athletic Union Rules must be made on the entry forms adopted by the Amateur Athletic Union.

Any club that shall fail to file the necessary report of games shall be refused further sanctions until such report be filed.

All games, meetings, benefits or entertainments of any kind where athletes compete or exhibit must be sanctioned, except where the games, meetings, benefits or entertainments are held by a club member of the A. A. U. or of its allied bodies, and the entries are confined to members of the club giving such games, meetings, benefits or entertainments.

 One Scorer,
 One Marshal.

SEC. 2. If deemed necessary, assistants may be provided for the Judge of Walking, the Clerk of the Course, the Scorer, and the Marshal, and an Official Announcer may be appointed.

RULE II.

THE GAMES COMMITTEE

in all national championship meetings shall be appointed by the Championship Committee.

The Games Committee at any club meeting shall be composed of members of the club holding the meeting.

This Committee shall have jurisdiction of all matters not assigned by these rules to the Referee or other games officials. (See also Rule XV.)

RULE III.

THE REFEREE

shall decide all questions relating to the actual conduct of the meeting, whose final settlement is not otherwise covered by these rules.

He alone shall have the power to change the order of events as laid down in the official programme, and to add to or to alter the announced arrangement of heats in any event. A referee has no authority, after heats have been duly drawn and published in a programme, to transfer a contestant from one heat to another.

When in any but the final heat of a race, a claim of foul or interference is made, he shall have the power to disqualify the competitor who was at fault, if he considers the foul intentional or due to culpable carelessness, and shall also have the power to allow the hindered competitor to start in the next round of heats, just as if he had been placed in his trial.

When, in a final heat, a claim of foul or interference is made, he shall have the power to disqualify the competitor who was at fault, if he considers the foul intentional or due to culpable carelessness, and he shall also have the power to order a new race between such of the competitors as he thinks entitled to such a privilege.

If, during any athletic contest under the rules of the Amateur Athletic Union, a competitor shall conduct himself in a manner unbecoming a gentleman, or offensive to the officials, spectators or competitors, the referee shall have the power to disqualify him from further competition at the meeting; and if he thinks the offense worthy of additional punishment shall promptly make a detailed statement of the facts to the Registration Committee in whose territory the offense was committed.

RULE IV.

THE INSPECTORS

It shall be the duty of an Inspector to stand at such point as the Referee may designate; to watch the competition closely, and in case

Such Inspectors are merely assistants to the Referee, to whom they shall report, and have no power to make any decisions.

RULE V.

THE JUDGES AT FINISH

shall determine the order of finishing of contestants and shall arrange among themselves as to noting the winner, second, third, fourth, etc., as the case may require.

Their decision in this respect shall be without appeal, and in case of disagreement a majority shall govern.

RULE VI.

THE FIELD JUDGES

shall make an accurate measurement, and keep a tally of all competitors in the high and broad jumps, the pole vault, the weight competitions and the tug of war.

They shall act as judges of these events, and their decisions, as to facts, shall likewise be without appeal. In case of disagreement a majority shall govern.

RULE VII.

THE TIMEKEEPERS

shall be three in number. They shall individually time all events where time record is required, and determine among themselves and announce the official time of each heat or race.

Should two of the three watches mark the same time and the third disagree, the time marked by the two watches shall be accepted. Should all three disagree, the time marked by the intermediate watch shall be accepted.

The flash of the pistol shall denote the actual time of starting.

If, for any reason, only two watches record the time of an event, and they fail to agree, the longest time of the two shall be accepted.

NOTE.—For record, however, three watches must be held on an event. See Rule IV., General Rules of the Amateur Athletic Union

shall have sole jurisdiction over the competitors after the Clerk of the Course has properly placed them in their positions for the start.

The method of starting shall be by pistol report, except that in time handicap races the word "go" shall be used.

An actual start shall not be effected until the pistol has been purposely discharged after the competitors have been warned to get ready. In case the pistol was not purposely discharged the competitors shall be called back by the starter by pistol fire. (NOTE.—The starter must have at least two good cartridges in his pistol before starting a heat).

When any part of the person of a competitor shall touch the ground in front of his mark before the starting signal is given, it shall be considered a false start.

Penalties for false starting shall be inflicted by the Starter, as follows:

In all races up to and including 125 yards the competitor shall be put back one yard for the first and another yard for the second attempt; in races over 125 yards and including 300 yards, two yards for the first and two more for the second attempt; in races over 300 yards and including 600 yards, three yards for the first and three more for the second attempt; in races over 600 yards and including 1,000 yards, four yards for the first and four more for the second attempt; in races over 1,000 yards and including one mile, five yards for the first and five more for the second attempt; in all races over one mile, ten yards for the first and ten more for the second attempt. In all cases the third false start shall disqualify the offender from that event.

The starter shall also rule out of that event any competitor who attempts to advance himself from his mark, as prescribed in the official programme after the starter has given the warning to "get ready."

RULE IX.

THE CLERK OF THE COURSE

shall be provided with the names and the numbers of all entered competitors, and he shall notify them to appear at the starting line before the start in each event in which they are entered.

In case of handicap events from marks, he shall place each competitor behind his proper mark; shall immediately notify the Starter should any competitor attempt to advance himself after the Starter has warned them to "get ready;" and in time allowance handicaps shall furnish the Starter with the number and time allowance of each actual competitor. He shall control his assistants, and assign to them such duties as he may deem proper.

RULE X.

THE JUDGE OF WALKING

shall have sole power to determine the fairness or unfairness of walking, and his rulings thereon shall be final and without appeal. He shall caution any competitor whenever walking unfairly, the third caution to disqualify, except that he shall immediately disqualify any competitor when walking unfairly during the last 220 yards of a race. He shall control his assistants, and assign to them such of his duties as he may deem proper.

RULE XI.

THE SCORER

shall record the order in which each competitor finishes his event, together with the time furnished him by the Timekeepers. He shall keep a tally of the laps made by each competitor in races covering more than one lap, and shall announce by means of a bell, or otherwise, when the leading man enters the last lap. He shall control his assistants, and assign to them such of his duties as he may deem proper.

RULE XII.

THE MARSHAL

shall have full police charge of the enclosure, and shall prevent any but officials and actual competitors from entering or remaining therein. He shall control his assistants, and assign to them their duties.

RULE XIII.

THE OFFICIAL ANNOUNCER

shall receive from the Scorer and Field Judges the result of each event, and announce the same by voice, or by means of a bulletin board.

RULE XIV.

Trainers and handlers shall not be allowed within the centre field or inner circle, or on the track immediately prior to or during competitions at championship meetings, except in distance races exceeding one mile; this rule does not include the A. A. U. all round championship.

RULE XV.

COMPETITORS

shall report to the Clerk of the Course immediately upon their arrival at the place of meeting, and shall be provided by that official with their proper numbers, which must be worn conspicuously by the competitors when competing, and without which they shall not be allowed to start.

Each competitor shall inform himself of the time of starting, and shall be promptly at the starting point of each competition in which he is entered, and there report to the Clerk of the Course.

Under no condition shall any attendants be allowed to accompany competitors at the start or during any competition, except in match races, where special agreement may be made.

RULE XVI.

PROTESTS

against any entered competitor may be made verbally or in writing to the Games Committee or any member thereof before the meeting, or to the Referee during the meeting. If possible, the Committee or Referee shall decide such protests at once. If the nature of the protest or the necessity of obtaining testimony prevents an immediate decision, the competitor shall be allowed to compete under protest, and the protest shall be decided by the Games Committee within one week, unless its subject be the amateur standing of the competitor, in which case the Games Committee must report such protest within forty-eight hours to the member of the Registration Committee in whose territory the games are being held.

RULE XVII.

TRACK MEASUREMENT.

All distances run or walked shall be measured upon a line eighteen inches outward from the inner edge of the track, except that in races on straightaway tracks the distance shall be measured in a direct line from the starting mark to the finishing line.

RULE XVIII.

THE COURSE.

Each competitor shall keep in his respective position from start to finish in all races on straightaway tracks, and in all races on tracks

with one or more turns he shall not cross to the inner edge of the track, except when he is at least six feet in advance of his nearest competitor. After turning the last corner into the straight in any race, each competitor must keep a straight course to the finish line, and not cross, either to the outside or the inside, in front of any of his opponents.

In all championship races of the Amateur Athletic Union, or any of its Associations, at any distance under and including 300 yards, each competitor shall have a separate course, properly roped, staked and measured, whether the race be run on a straight path or around one or more curves.

The Referee shall disqualify from that event any competitor who wilfully pushes against, impedes, crosses the course of, or in any way interferes with another competitor.

The Referee shall disqualify from further participation in the games any contestant competing to lose, to coach, or to in any way impede the chances of another competitor either in a trial or final contest.

RULE XIX.

THE FINISH.

The finish of the course shall be represented by a line between two finishing posts, drawn across and at right angles to the sides of the track, and four feet above which line shall be placed a tape attached at either end to the finishing posts. A finish shall be counted when any part of the winner's body, except his hands or arms, shall reach the finish line. The order of finishing for second and third places, and so on, shall be decided in the same manner.

RULE XX.

HURDLES.

Different heights, distances and number of hurdles may be selected for hurdle races.

In the 120 yards hurdle race, ten hurdles shall be used ; each hurdle to be three feet six inches high. They shall be placed ten yards apart, with the first hurdle fifteen yards distant from the starting point, and the last hurdle fifteen yards before the finishing line. In the 220 yards hurdle race ten hurdles shall be used, each hurdle to be

two feet six inches high. They shall be placed twenty yards apart, with the first hurdle twenty yards distant from the starting mark, and the last hurdle twenty yards before the finishing line.

In hurdle races of other distances, and with different numbers of hurdles, the hurdles shall be placed at equal intervals, with the same space between the first hurdle and the starting point, and the last hurdle and the finishing line as between each of the hurdles.

In making a record it shall be necessary for the competitor to jump over every hurdle in its proper position.

In all championship hurdle races of the Amateur Athletic Union, or any of its Associations, up to and including 300 yards, each competitor shall have separate hurdles and a separate course marked out and measured independently, whether races are run straightaway or with turns.

RULE XXI.

TIES.

In all contests whose results are determined by measurement of height or distance, ties shall be decided as follows:

In handicap contests the award shall be given to the competitor who received the least allowance. In case of a tie between two or more competitors who received the same allowance, the decision shall be made as in scratch contests.

In case of a tie in a scratch contest at high jumping, the tying competitors shall have three additional trials at the height last tried, and if still undecided, the bar shall be lowered to the height next below, and three trials taken at that height. If no one clears it, the bar shall be lowered again and again until one of the competitors clears it. In case of a second tie, the award shall be given to the competitor who cleared the bar with the least number of trials.

In case of a tie in the pole vault the officials shall raise or lower the bar at their discretion, and those competitors who have tied shall be allowed one trial at each height.

In handicaps, where a tie occurs, the scratch man or man with the smallest allowance shall be given the place.

In case of a tie in a scratch contest at any game decided by distance, each of the tying competitors shall have three additional trials, and the award shall be made in accordance with the distances cleared in

these additional trials. In case of a second tie three more trials shall be allowed, and so on, until a decision is reached. In case of a dead heat in any track events, the competitors shall not be allowed to divide the prize or points, or to toss for them, but must compete again at a time and place appointed by the referee.

ORDER OF COMPETITION IN FIELD EVENTS.

In all scratch events the competitors shall take their trials in the order of their names as printed in the programme.

In all handicap events the competitor having the greatest allowance shall make the first trial, and so on, in regular order, up to the competitor at scratch or with least allowance, who shall have the last trial

RULE XXII.

JUMPING.

SECTION I. A fair jump shall be one that is made without the assistance of weights, diving, somersaults or handsprings of any kind.

THE RUNNING HIGH JUMP.

SEC. 2. The Field Judges shall decide the height at which the jump shall commence, and shall regulate the succeeding elevations.

Each competitor shall be allowed three trial jumps at each height, and if on the third trial he shall fail, he shall be declared out of the competition.

At each successive height each competitor shall take one trial in his proper turn; then those failing, if any, shall have their second trial jump in a like order, after which those having failed twice shall make their third trial jump.

The jump shall be made over a bar resting on pins projecting not

At the annual meeting of the A. A. U., held Nov. 19, 1902, in New York City, the following was offered for guidance in the pole vault and high jump events:

"That the rules of competition require the field judges to make accurate measurements. The Committee have discussed the question of giving the right to move the apparatus in the high jump and in the pole vault, and we would like to call the attention of all those who are interested in athletics to the fact that if the apparatus is moved, the field judges should make a re-measurement, because if there is any inequality in the ground at all, changing the apparatus may make a difference varying from an inch to a quarter of an inch, and the competitor should not be allowed to have the apparatus moved and thereby get an advantage in that way."

more than three inches from the uprights, and when this bar is removed from its place it shall be counted as a trial jump.

Running under the bar in making an attempt to jump shall be counted as a "balk," and three successive "balks" shall be counted as a trial jump.

The distance of the run before the jump shall be unlimited.

A competitor may decline to jump at any height in his turn, and by so doing, forfeits his right to again jump at the height declined.

THE STANDING HIGH JUMP.

SEC. 3. The feet of the competitor may be placed in any position, but shall leave the ground only once in making an attempt to jump. When the feet are lifted from the ground twice, or two springs are made in making the attempt, it shall count as a trial jump without result. A competitor may rock forward and back, lifting heels and toes alternately from the ground, but may not lift either foot clear from the ground or slide it along the ground in any direction.

With this exception the rules governing the RUNNING HIGH JUMP shall also govern the STANDING HIGH JUMP.

THE RUNNING BROAD JUMP.

SEC. 4. When jumped on earth a joist five inches wide shall be sunk flush with it. The outer edge of this joist shall be called the scratch line, and the measurement of all jumps shall be made from it at right angles to the nearest break in the ground made by any part of the person of the competitor.

In front of the scratch line the ground shall be removed to the depth of three and the width of twelve inches outward.

A foul jump shall be one where the competitor in jumping off the scratch line makes a mark on the ground immediately in front of it, or runs over the line without jumping, and shall count as a trial jump without result.

Each competitor shall have three trial jumps, and the best three shall each have three more trial jumps.

The competition shall be decided by the best of all the trial jumps of the competitors.

The distance of the run before the scratch line shall be unlimited.

THE POLE VAULT.

SEC. 5. The height of the bar at starting and at each successive elevation shall be determined by the officials.

Three tries allowed at each height. Each competitor shall make an attempt in the order in which his name appears on the programme, then those who have failed shall have a second trial in regular order, and those failing on this trial shall take their final trial.

Displacing the bar counts as a try.

A line shall be drawn fifteen feet in front of the bar and parallel with it ; crossing this line in an attempt shall be a balk. Two balks constitute a try.

Leaving the ground in an attempt shall constitute a try.

A competitor may omit his trials at any height, but if he fail at the next height he shall not be allowed to go back and try the height he omitted.

The poles shall have no assisting devices, except that they may be wound or wrapped with any substance for the purpose of affording a firmer grasp, and may have one spike at the lower end. No competitor shall, during his vault, raise the hand which was uppermost when he left the ground to a higher point on the pole, nor shall he raise the hand which was undermost when he left the ground to any point on the pole above the other hand.

Poles shall be furnished by the club giving the games, but contestants may use their private poles if they so desire, and no contestant shall be allowed to use any of these private poles except by the consent of their owners. The poles shall be unlimited as to size and weight.

Any competitor shall be allowed to dig a hole not more than one foot in diameter at the take-off in which to plant his pole.

In case of a tie the officials shall raise or lower the bar at their discretion, and those competitors who have tied shall be allowed one trial at each height.

In handicaps where a tie occurs, the scratch man or man with the smallest allowance shall be given the place.

The rule governing the RUNNING BROAD JUMP shall also govern the POLE VAULT for distance, except that when the man leaves the ground in an attempt, it shall be counted a trial.

THE STANDING BROAD JUMP.

SEC. 6. The feet of the competitor may be placed in any position, but shall leave the ground only once in making an attempt to jump. When the feet are lifted from the ground twice, or two springs are made in making the attempt, it shall count as a trial jump without result. A competitor may rock forward and back, lifting heels and toes alternately from the ground, but may not lift either foot clear of the ground, or slide it along the ground in any direction.

In all other respects the rule governing the RUNNING BROAD JUMP shall also govern the STANDING BROAD JUMP.

THE THREE STANDING BROAD JUMPS.

SEC. 7. The feet of the competitor shall leave the ground only once in making an attempt for each of the three jumps, and no stoppage between jumps shall be allowed. In all other respects the rules governing the STANDING BROAD JUMP shall also govern the THREE STANDING BROAD JUMPS.

RUNNING HOP, STEP AND JUMP.

SEC. 8. The competitor shall first land upon the same foot with which he shall have taken off. The reverse foot shall be used for the second landing, and both feet shall be used for the third landing.

In all other respects the rules governing the RUNNING BROAD JUMP shall also govern the RUNNING HOP, STEP AND JUMP.

RULE XXIII.

THE SHOT.

The shot shall be a metal sphere with a covering of any material, and the combined weight for championship contests shall be 16 pounds. It is optional with the Games Committee of handicap meetings to offer competitions of shots weighing from 12 pounds upwards.

The shot shall be "put" with one hand, and in making the attempt it shall be above and not behind the shoulder.

All puts shall be made from a circle seven feet in diameter. The circle to be a metal or wooden ring, painted or whitewashed, and sunk almost flush with the ground, and it shall be divided into two halves by a line drawn through the centre. In the middle of the circumference of the front half shall be placed a stop-board four feet long, four inches high, and firmly fastened to the ground. In making his puts, the feet of the competitor may rest against, but not on top of this board.

A fair put shall be one in which no part of the person of the competitor touches the top of the stop-board, the circle, or the ground outside the circle, and the competitor leaves the circle by its rear half, which shall be the half directly opposite the stop-board. A put shall be foul if any part of the person of the competitor touch the ground outside the front half of the circle before the put is measured.

The measurement of each put shall be from the nearest mark made by the fall of the shot to the circumference of the circle on a line from the mark made by the shot to the centre of the circle.

Foul puts and letting go the shot in making an attempt shall be counted as trial puts without result.

A board similar to the one in front may be used at the back of the circle.

The order of competing and number of trials shall be the same as for the running broad jump. Shots shall be furnished by the Games Committee. Any contestant may use his private shot, if correct in weight and shape; in which case the other contestants must also be allowed to use it if they wish.

RULE XXIV.

THROWING THE 56-LB. WEIGHT.

SECTION 1. The weight shall be a metal sphere, with handle of any shape and material. Their combined weight shall be at least fifty-six pounds, and their combined height shall not be more than sixteen inches.

All throws shall be made from a circle seven feet in diameter.

The circle to be a metal or wooden ring, painted or whitewashed, and sunk almost flush with the ground.

In making his throws the competitor may assume any position he chooses, and use one or both hands.

Foul throws and letting go the weight in an attempt shall count as trial throws without result.

Weights shall be furnished by the Games Committee. Any contestant may use his private weight, if correct in weight and shape; in which case the other contestants must also be allowed to use it if they wish.

IN THROWING FOR DISTANCE.

SEC. 2. A fair throw shall be one where no part of the person of the competitor touches the circle, the ground outside the circle, and the competitor leaves the circle by its rear half, which shall be that part of the circle directly opposite the half occupied by the competitor at the moment of delivery, and shall be designated by an imaginary line drawn through the centre of the circle at right angles to the direction of the throw.

The measurement of each throw shall be from the nearest mark made by the fall of any part of the weight or handle to the inside edge of the circumference of the circle on a line from the mark to the centre of the circle.

The number of trials and method of decision shall be the same as in the running broad jump.

IN THROWING FOR HEIGHT.

SEC. 3. A barrel head three feet in diameter shall be suspended horizontally in the air.

The field judges shall determine the height at which the barrel head shall be fixed at the beginning of the competition, and at each successive elevation.

A fair throw shall be one where no part of the person of the competitor shall touch the circle or the ground outside of the circle before the weight touches the barrel head, and where any part of the weight or handle touches any part of the barrel head.

The measurement of each throw shall be from the ground perpendicularly up to the lowest part of the barrel head.

The method of competition shall be the same as in the running high jump.

RULE XXV.

THROWING THE HAMMER.

The head and handle may be of any size, shape and material, provided that the length of the complete implement shall not be more than four feet and its weight not less than sixteen pounds.

The competitor may assume any position he chooses, and use either one or both hands.

All throws shall be made from a circle seven feet in diameter, the circle to be a metal or wooden ring, painted or whitewashed and sunk almost flush with the ground.

A fair throw shall be where no part of the person of the competitor touches the circle or the ground outside the circle, and the competitor leaves the circle by its rear half, which shall be that directly opposite the half occupied by the competitor at the moment of delivery, and shall be designated by an imaginary line drawn through the centre of the circle at right angles to the direction of the throw.

Foul throws and letting go of the hammer in an attempt shall count as trial throws.

The measurement of each throw shall be from the nearest mark made by the fall of the head of the hammer to the inside circumference of the circle, on a line from the mark to the centre of the circle.

The number of trials and methods of decision shall be the same as in the running broad jump.

Hammers shall be furnished by the Games Committee. Any contestant may use his private hammer, if correct in weight and length; in which case the other contestants must also be allowed to use it if they wish.

RULE XXVI.

THROWING THE DISCUS.

The discus shall be circular in form, made of wood, without finger holes, weighted in the centre with lead discs or washers, held in by brass caps bolted together from each side. The outer surface or circumference of the wood body shall be bound by a smooth steel rim. The surface of the wood from the inner edge of the steel rim to the edge of the brass cap must be divided into four concentric steps or corrugations or parallel angles, each step cut to a depth of not more than one-eighth of an inch and tapering uniformly from brass caps to inner edge of steel rim.

The measurements and weights of the discus must be as follows: Outside diameter, eight inches; thickness at centre, two inches; weight, four and one-half pounds. The centre must be flat on each side of the discus for a radius of not less than one and one-half inches.

The circle for throwing the discus shall be similar in all respects to that of throwing the 56-pound weight, 16-pound hammer and 16-pound shot.

In making his throw the competitor may assume any position he pleases, and the rules governing a "fair throw" to be the same as the hammer and 56-pound weight.

A discus shall be furnished by the games committee. Any competitor may use his private discus if it conforms to the rule, in which case other contestants shall be allowed to use it if they wish.

The measurements of each throw shall be made from the nearest mark made by the fall of the discus to the inside circumference of the circle on a line from the mark made by the discus to the centre of the circle.

RULE XXVII.

TUGS-OF-WAR.

Tugs-of-War shall be pulled on cleats made of wood, same to be at least four inches thick, six inches high and twenty-two inches long, and at least six feet six inches apart. The distance from the clamp in the centre to the first cleat on either side shall be not less than six feet.

The cleats shall be set on edge and bolted to the board.

The rope shall be a manilla, three-stranded rope, not less than four-and-a-half nor more than five inches in circumference. There shall be a clamp equidistant from the first cleat on either side, which shall be sufficient to hold the rope in position until released.

The clamp shall not make an appreciable kink in the rope. Any position may be assumed before the pistol is fired. No mechanical device shall be used for holding the rope. No belt other than one to protect the body shall be used. The flanges to hold the rope in place shall not be constructed so as to bind on the rope in any position that the anchor may assume. Leather shields and gloves may be used, and adhesive substances may be put on the same. The belt shall not weigh more than twenty pounds. Competitors shall not use weights

in unlimited pulls, but in pulls limited to specified weights, competitors may use weights, providing the total weight of the team, including weights, does not exceed the limit.

The standard time limit for each pull shall be five minutes, and a rest of not less than ten minutes shall be allowed each competitor between trial pulls. A shorter or longer time limit may be agreed upon for other than championship contests.

When tugs-of-war are limited to teams of a given weight, competitors shall be weighed before competing. They shall be weighed as they pull; *i. e.*, including clothing, shoes, belt, etc.

The weighing-in shall be done immediately before the pull.

No knot of any kind shall be tied in the rope, and the rope shall not be passed more than once around the body of the anchor.

In no case shall any man pull on more than one team in a contest, and no substitute shall be allowed to pull on any team that has pulled a trial.

In case a team gains three feet from its opponents, it shall be awarded the pull.

Immediately before the competition the captains of the opposing teams shall draw their numbers and compete as follows: To have a preliminary round of as many contests as the total number of teams exceeds 2, 4, 8, 16 or 32, and drop the losers. This leaves in 2, 4, 8, 16 or 32 teams, and the competition then proceeds regularly with no byes or uneven contests.

No pull shall be awarded by less than half an inch.

All competitors who have been beaten by the winner shall be entitled to compete for second place, and all who have been beaten by the winners of either first or second place shall be entitled to compete for third place.

The individual tug-of-war shall also be governed by the team rules and the contestants must pull from the first cleat from the elamp.

RULE XXVIII.

SWIMMING.

SECTION 1. Officials shall consist of one Referee, three Judges at the Finish, three Timekeepers, one Starter, one Clerk of the Course with assistants, if necessary.

SEC. 2. Duties and powers of these officials shall be the same as is prescribed for them in the foregoing Rules.

SEC. 3. In the 100 yards Swimming Race each competitor shall stand with one or both feet on the starting line, and when the signal is given, shall plunge. Stepping back, either before or after the signal, will not be allowed.

SEC. 4. The start for longer races shall be the same as the 100 yards, except that competitors may start in the water (tread-water start) from an imaginary line.

SEC. 5. Each competitor shall keep a straight course, parallel with the courses of the other competitors, from the starting station to the opposite point in the finish line. Competitors will be started ten feet apart, and each one is entitled to a straight lane of water, ten feet wide, from start to finish. Any contestant who, when out of his own water, shall touch another competitor, is liable to disqualification from that event, subject to the discretion of the Referee.

SEC. 6. Each competitor shall have finished the race when any part of his person reaches the finish line.

SEC. 7. In all handicap competitions a check starter shall be appointed, whose duty it shall be to see that no contestant starts before his proper time. He shall report any violation of this rule to the referee, who shall disqualify such competitor, should his finish affect the result of the race.

RULE XXIX.

All organizations who have received sanction for any contests where prizes are offered on entry blanks, shall be required to send to the local registration committee, before the date of the games, a copy of their entry blank, and must state the value of the prizes to be given for each event.

After November 19th, 1900, no sanction will be given to any organization which shall fail to give prizes as stated on their entry blanks, and from the same date, with every sanction granted, shall be sent a copy of Section 10, Article XI., of the Constitution and this rule

BOXING RULES

OF THE
AMATEUR ATHLETIC UNION.

1. In all open competitions the ring shall be not less than 16 feet nor more than 24 feet square, and shall be formed of 8 stakes or ropes, the latter extending in double lines, the uppermost line 4 feet from the floor and the lower line 2 feet from the floor.

2. Competitors to box in regulation athletic costume, in shoes without spikes, or in socks, and to use boxing gloves of not more than 8 ounces in weight.

3. Weights to be: Bantam, 105 lbs. and under; Feather, 115 lbs. and under; Light, 135 lbs. and under; Welter, 145 lbs. and under; Middle, 158 lbs. and under; Heavy, 158 lbs. and over.

4. Any athlete who weighs in and then fails to compete, without an excuse satisfactory to the Games Committee, shall be suspended for six months. All weighing in shall cease as soon as the first bout of the tournament on each night is commenced.

5. In all open competitions the result shall be decided by two Judges, with a Referee. A Timekeeper shall be appointed.

6. In all competitions the number of rounds to be contested shall be three. The duration of rounds in the trial bout shall be limited to three minutes each. In the "finals" the first two rounds will be three minutes each and the final round four minutes. The interval between each round shall be one minute.

7. In all competitions any competitor failing to come up when time is called shall lose the bout.

8. Immediately before the competition each competitor who has weighed in shall draw in person his number and compete as follows: Have a preliminary round of as many contests as the total number of contestants can be divided by two. In case any contestant does not compete in the preliminary series, he shall be allotted a number in the next series of bouts, so as to avoid the possibility of again draw-

ing a bye. This leaves 2, 4, 8 or 16 contestants, and the rounds then proceed regularly without byes or uneven contests.

9. Each competitor shall be entitled to the assistance of two seconds only, and no advice or coaching shall be given to any competitor by his seconds or either of them, or by any other person during the progress of any round. For a violation of this section the referee may disqualify the competitor who is so advised or coached.

10. The manner of judging shall be as follows: The two judges and referee shall be stationed apart. At the end of each bout each judge shall write the name of the competitor who in his opinion has won, and shall hand the same to the announcer (or master of ceremonies). In case the judges agree, the master of ceremonies shall announce the name of the winner; but in cases where the judges disagree, the master of ceremonies shall so inform the referee, who shall thereupon himself decide.

11. The referee shall have power to give his casting vote when the judges disagree, to caution or disqualify a competitor for infringing rules, or to stop a round in the event of either man being knocked down, providing that the stopping of either of the first two rounds shall not disqualify any competitor from competing in the final round to decide the competition in the event of either man showing so marked a superiority over the other that a continuation of the contest would serve only to show the loser's ability to take punishment. And the referee can order a further round, limited to two minutes, in the event of the judges disagreeing.

12. The decision of the judges or referee, as the case may be, shall be final.

13. In all competitions the decision shall be given in favor of the competitor who displays the best style and obtains the greatest number of points. There shall also be a timer, who shall time the bouts in accordance with Rule 3.

2. Each contestant shall fence a bout with every other contestant.

3. Each bout shall consist of four minutes' actual fencing, and contestants shall change positions after two minutes. Contestants shall come on guard, at the middle of the space, at the command of a judge.

4. Each judge, without consulting his fellow judges, shall award 100 points, or any part thereof, to each contestant at the end of the bout. The score shall be the average of the sum of the points obtained.

5. Touches shall count only when made upon the body, within the limits bounded by the collar of the fencing jacket, the median line, the hip, and a line drawn from the hip to the posterior limit of the armpit, around the front of the arm and along the crest of the shoulder to the collar. A touch on any part of the boundary lines shall count.

6. The competitor attacked should parry; if a stop thrust be made it shall only count in favor of the giver, provided he be not touched at all.

7. A touch, whether fair or foul, invalidates the riposte.

8. A touch is of no value when the point is twisted onto the body after the slap of the foil.

9. The judges *must* stop a corps-a-corps as soon as made.

3. A judge, upon seeing a touch, shall stop the bout, and thereupon a vote shall be taken. A touch shall be awarded only upon the agreement of a majority of the judges. Neither judges nor contestants shall discuss the touches made or claimed, nor shall any comment be made upon them.

5. The contestant scoring the highest aggregate of points shall be declared the winner, the next highest second, and so on.

6. A touch on any part of the adversary counts.

7. A disarmament is of no value. A touch *immediately* following a disarmament counts.

A free trial for goal will be given by lining up three backs of the defending team within the 4-foot line and giving three forwards of the opposing team the ball on the 15-foot line, when they may try for a goal until a goal is scored or the ball goes outside the 15-foot line. Only three men from each side will be allowed within the 15-foot line, until the ball goes outside that line or a goal is scored.

Fouls.—It shall be a foul to tackle an opponent if the ball is not within four feet of him or to hold him by any part of his costume. It shall be a foul to cross the 4-foot line ahead of the ball, unless forced over by an opponent, or to hang on to the sides of the tank except for the purpose of resting.

Unnecessary rough work may, within the discrimination of the referee, either be counted a foul or the referee may put the offender out of the tank until a goal is scored or the half ends.

The Amateur Athletic Union of the United States, without enlarging or diminishing or in any way modifying the provisions of the Constitution, By-Laws and General Rules, to which for more explicit information reference must always be had, hereby authorizes the following as a

Summary of the tests which have been applied in the determination of questions of amateur standing.

An athlete becomes a professional if he

(1) Enters a competition for money or for prizes of more than \$35 in value. (Const., Art. X, Sec. 1 (1), Secs. 3, 4.)

(2) Sells or pawns his prizes. (Const., Art. X, Sec. 1, (4).)

(3) Accepts a purse of money (Const., Art. X, Sec. 1 (1).)

(4) Enters a competition under a false name. (Const., Art. X, Sec. 1 (2).)

(5) Enters a competition open to a professional, or knowingly competes with a professional. (Const., Art. X, Sec. 1 (3).)

(6) Issues a challenge to compete for money or its equivalent. (Const., Art. X, Sec. 1 (4).)

(7) Receives reward for becoming or continuing a member of an Athletic Organization. (Const., Art. X, Sec. 1 (1).)

(8) Teaches, trains, or coaches in an athletic sport for money or any valuable consideration. (Const., Art. X, Sec. 1 (1).)

An athlete is disqualified from competing as an amateur who has committed any of the following acts:

(1) Entering or competing against others than registered amateurs in good standing. (Const., Art. X., Sec. 1 (6), Sec. 2, General Rule 1).

(2) Competing from an organization

(a) In whose employ he is. (Const., Art. X, Sec. 1 (1).)

(b) In which he is not a member in good standing. (Const., Art. X, Sec. 1 (2).)

(c) When he has competed from another organization within three months. (Art. X, Sec. 2.)

(d) When he has competed from another existing organization within a year, except upon written release from that organization. (Const., Art. X, Sec. 2.)

(3) Violating the rules of affiliated bodies when in their games. (Const., Art. X, Sec. 4.)

(4) Acting in a discourteous or unfair manner. (Const., Art. XI, Secs. 11-12.)

(5) Competing when knowingly under suspension. (Const., Art. X, Sec. 4; Art. XI, Sec. 9, General Rule 1.)

(6) Competing in games not duly authorized. (General Rule 1.)

(7) Entering open games when unregistered. (Const., Art. X, Sec. 1 (6).)

(8) Refusing to testify. (Const., Art. XI, Sec. 10.)

For the purpose of defining the position of the Amateur Athletic Union in regard to certain matters which have been the subject of some discussion, the following construction of our Constitution, By-Laws and Rules is authorized and promulgated:

(1) In sports over which the Amateur Athletic Union has not assumed jurisdiction, the following are recognized as governing bodies:

National Association of Amateur Oarsmen

United States Golf Association

United States National Lawn Tennis Association

National Archery Association

National Roque Association

Amateur Fencers League of America

The Amateur Athletic Union recognizes the right of collegiate associations and scholastic associations to govern themselves and to compete among themselves without registration or sanction of the Amateur Athletic Union; but teams other than track teams duly authorized to represent an educational institution may only compete with teams of outside organizations when such latter teams are duly registered.

Unless the team representing the educational institution is

properly authorized to represent its institution, both teams must be registered.

At all meetings held under the management of educational institutions all athletes competing who are not members of educational institutions must be registered.

An athlete cannot compete as an amateur who has coached or instructed for money or received excessive expenses, or played with or against professionals in baseball or football, except that this shall not apply to the individuals of a team composed entirely of amateurs which has played against a professional team. A single professional player on a team makes the team professional.

Spalding Patented Running and Jumping Shoes

(Patented December 2, 1902)

No. 0

Their merits speak for themselves. The most successful runners and hurdlers use these shoes.

In these shoes the spikes cannot by any possibility come in contact with the foot. The rubber sole is an assistance, in that it is partly underneath the spike, and therefore acts in the nature of a cushion, and our patented principle enables us to place the spikes so that they will not come loose after being wet, as water has no effect on the rubber sole. We also claim that on account of the non-slippable purchase a runner obtains with this sole, he is able to make a quicker start than is possible with a shoe of ordinary construction.

Cut No. 6--A photograph from one end of the gymnasium showing considerable of the apparatus in place on the floor. The net in the centre of the room is for volley ball games. Owing to the character of the apparatus the floor may be quickly cleared for games of this character at short notice.

THE FINEST EQUIPPED GYMNASIUM IN THE WORLD

The progress made in the manufacture and the mechanical perfection of the various gymnastic appliances shown in the complete gymnasium installed by A. G. Spalding & Bros. at the World's Fair, demonstrated that the firm is alive to the imperative need of the times. Physical training is being rapidly advanced and in the congested sections of the country it is a growing problem how to provide for the new conditions. This is particularly true in public school work and similar institutions. Real estate in large cities is extremely valuable, and as a consequence, gymnasiums are often reduced in size and wholly inadequate to the growing needs. This means that the apparatus of the past of a fixed or cumbersome character must be superseded by appliances that may be rapidly and conveniently handled in a manner to accommodate the constantly increasing number of boys and girls needing systematic physical development.

A. G. Spalding & Bros., who outfitted the complete gymnasium at the World's Fair and received the Grand Prize and Gold Medal in competition for their exhibit, are to be congratulated on their enterprise.

Cut No. 1—The above is a combination piece of wall apparatus which may be used as a rowing weight, back and loin pulley, direct chest pulley with upright backboard, or intercostal overhead pulleys. Either set of handles is always ready for use, and requires no adjustment.

Cut. No. 2—A portable Indian club and dumb bell rack, made of oak, mounted on rubber-tired wheels. The particular feature about it is the locking device, whereby an entire row of Indian clubs or dumb bells may be locked or unlocked with one throw of the lever, the object of the device being to place the control of the apparatus entirely in the hands of the instructor. The character of the hanger is decidedly unique and practical and is original with A. G. Spalding & Bros.

CUT No. 3—A new style of jumping standard that was favorably commented on by all who saw it. It is elaborately made of polished brass tubing and brass fittings, having a heavy iron round base. The particular feature of its construction was the automatic pin arrangement which was permanently attached to the standard and was instantly adjusted, locking itself when released at the desired height.

CUT No. 4—Shows a combined horizontal and vaulting bar of entirely new construction. The bars are suspended by overhead guys and these guys are tightened and the bar drawn into position at the floor by the use of one lever on each upright. The principle is radically new, and is certainly most successfully applied. The bar requires only two floor plates and two points of attachment at the floor, eliminating the spread of guys, thereby saving floor space and greatly facilitating the handling of the apparatus in clearing the floor for other work.

CUT No. 5—Illustrates a pair of parallel bars, the design of which was particularly commended by the entire body of Turn Verein representatives who used them in the Olympic gymnastic contests.

The above picture shows the team of German Turners that came to America especially to compete in the International Championships at St. Louis on July 1 and 2, 1904, requesting that they be permitted to use the apparatus of the Spalding gymnasium exhibit in the gymnastic tournament, and at the conclusion of the two-day meeting voluntarily forwarded to A. G. Spalding & Bros. a testimonial highly complimenting the firm on their gymnastic apparatus. The same request was made by the Young Men's Christian Association of America, and the apparatus was used by them for the championships with best results. In the International A. A. U. Championships, A. G. Spalding & Bros.' apparatus was likewise used, and the chairman of the committee declared the apparatus to be the best ever used in connection with a championship meeting.

OFF
 IN all athletic contests the implements and apparatus must conform to the official rules as laid down by the governing bodies of the various sports, the object being to enable all contestants to compete under uniform conditions and with the same kind of an implement, for a record in any sport will not be allowed unless the official implement is used. That is why Spalding implements are always selected, because they never vary in weight or measurement, but invariably conform to the rules. . . .

THE above illustration shows the Stadium at St. Louis, in which the Olympic Games of 1904 were held. The field, which was designed and equipped by A. G. Spalding & Bros., was declared by experts to be the most perfect outdoor athletic plant ever built.

OFFICIAL THE officials of the Louisiana Purchase Exposition, recognizing the importance of the OLYMPIC GAMES and the value of establishing authentic Olympic records, selected Spalding Athletic Implements for exclusive official use in connection with the Olympic Games (held in the Stadium of the Exposition, from May to November) because of their acknowledged superiority, reliability and official standing. For over a quarter of a century J. G. Spalding & Bros.' implements have been officially used.

HE building in the background is the Model Gymnasium, which was entirely equipped by A. G. Spalding & Bros. with an exhibit that was pronounced a model one by American and European experts and the International Jury of the Exposition.

No. 223—How to Bat

The most important part of ball playing nowadays, outside of pitching, is batting. The team that can bat and has some good pitchers can win base ball games; therefore, every boy and young man who has, of course, already learned to catch, should turn his attention to this department of the game, and there is no better way of becoming proficient than by reading this book and

then constantly practising the little tricks explained therein. It is full of good advice to batsmen, and many good batters will be surprised to find contained in it so many points of which they were unaware. Edited by Jesse F. Matteson of the Chicago American, and profusely illustrated. Price 10 cents.

by J. E. Wray, sporting editor *Globe-Democrat, St. Louis.* Price 10 cents.

No. 227—How to Play Third Base

Third base is, in some respects, the most important of the infield. No major league team has ever won a pennant without a great third baseman. Collins of the Boston Americans and Leach of Pittsburg are two of the greatest third basemen the game has ever seen, and their teams owe much of the credit for pennants they have won to them. These men in this book describe just how they play the position. Everything a player should know is clearly set

forth and any boy will surely increase his chances of success by a careful reading of this book. Illustrated. Price 10 cents.

No. 228—How to Play Shortstop

Shortstop is one of the hardest positions on the infield to fill, and quick thought and quick action are necessary for a player who expects to make good as a shortstop. The views of every well known player who covers this position have been sought in compiling this book, and it is offered as being the most complete book of its class ever produced. No. 230—How to Pitch

A new, up-to-date book. Published for the first time this year. No boy can afford to be without a copy of it. Edited by John B. Foster of the Evening Telegram (New York). The object of this book is to aid the beginners who aspire to become clever twirlers, and its contents are the practical teaching of men who have reached the top as pitchers, and who have had experience, both as members of the best clubs playing base ball and as contenders against teams

that have enjoyed national reputations. Cy Young, the famous Boston American pitcher, whose steadiness in the box is proverbial, gives advice on control of the ball and tells what a boy should do to obtain it; Sam Loeffer of the Pittsburgs shows how to pitch the outcurve; William Dineen of the Boston Americans tells how to pitch an inshoot; Thomas Hughes gives hints on pitching the drop; Joe McGinnity, the "iron man," of the New York Nationals, explains how he uses his successful raise ball and his famous "cross fire"; Christy Mathewson, the pride of the New York Polo Grounds, discusses the body swing; Frank Hahn, who is left-handed, has something of interest to those who use that member; John J. McGraw, New York Giants' brilliant manager, discourses on the pitcher as a fielder, and as he started in his base ball career as a twirler, his advice has grounds for attention; Al Orth, the "curveless wonder," tells how to make a batter do what you want him to do; John Powell explains how to act when runners are on bases; Charley Nichols, the former pitcher of the Boston Nationals and now manager of the St. Louis Nationals, describes the jump ball; Frank Sparks treats of change of pace, and Jack Chesbro, the star of the New York Americans' pitching corps, describes at length the "spit" ball, of which he is so famous an exponent. England League, on how to organize a league. Price 10 cents.

No. 232—How to Run the Bases

The importance of base running as a scientific feature of the national game is becoming more and more recognized each year. Besides being spectacular, feats of base stealing nearly always figure in the winning of a game. Many a close contest is decided on the winning of that little strip of 90 feet which lies between cushions. When hits are few and the enemy's pitchers steady, it becomes incumbent on the opposing team to get around the bases in

some manner. Effective stealing not only increases the effectiveness of

the team by advancing its runners without wasting hits, but it serves to materially disconcert the enemy and frequently has caused an entire opposing club to temporarily lose its poise and throw away the game. for their Gymnasium Equipment at the World's Fair. The hundreds of Gymnasts who competed in the different events in the Stadium during the year proclaimed the apparatus made by A. G. Spalding & Bros. the best that they had ever worked on, and the team of German Turners that came to America especially to compete in the International Championships at St. Louis on July 1 and 2, 1904, requested that they be permitted to use the apparatus of the

Spalding Gymnasium Exhibit

in the Gymnastic Tournament, and at the conclusion of the two-day meeting, voluntarily forwarded to A. G. SPALDING & BROS. a testimonial highly complimenting the firm on the manufacture of their Gymnastic Apparatus. The same request was made by the Young Men's Christian Association of America, and the apparatus was used by them for the Championships with best results. In the International A.A.U. Championships A. G. Spalding & Bros.' apparatus was likewise used, and the Chairman of the Committee declared the apparatus to be the best ever used in connection with a championship meeting.
